

## Technical data GRILON

**Polymer:** PA 6, PA 6.6

**ISO designation:**

**Productgroup:** PA

**Brief description of the product family:**

The semi-crystalline polyamides of this material group are characterized by the following properties: High strength and stiffness, High impact strength, High heat resistance, Good abrasion and sliding properties, Resistance to many chemicals, Good electrical properties, Economical processability.

**Properties:**

**Typical areas of application:**

**Industries:**

**Processing instructions:**

**Legal notices:**
